

Monday 20th June 2011

Dear Parents/Caregivers

On Monday 4th July the Envirokids are going to go on a walk around Lake Hakanoa. The purpose of this trip is to look at gardening environments near our school and think of ways we can further enhance the gardening environment back at Kimihia. The children will take photos and quick sketches along the way of interesting features/plants so if they have a camera they can bring from home that would be great.

We need four parents to walk with us – leaving school at 9:00am and back by 11:00am. Children will need to wear sneakers and have their drink bottle and a brain-break snack with them. We will also have plastic bags and gloves with us and will pick up any rubbish we find along the way.

Please fill in the form below if you are able to accompany us on our walk.

Thanks

Amy Roberts

Enviro Teacher

Return to the school office. Envirokids Lake Hakanoa Walk Parent Help Form.

Yes – I can accompany the envirokids on their walk on Monday 4th July.
